

Fundraising Policy

The Norwood District Skating Club is a non-profit, volunteer organization. Hundreds of hours are put into every season by the Executive Committee and parent volunteers to ensure the programs offered are provided at an acceptable standard. Our club relies on volunteers and fundraising to successfully operate and keep costs reasonable for families. Registration revenues only cover a portion of the expenses and we receive no outside funding. Our Club has created a Fundraising Policy that is mandatory for all families and is as follows;

- I understand there will be a \$100 fee for Fundraising added to my registration.
- I understand the \$100 is for the cost of 2 books of raffle tickets for our annual Fundraiser.
- I understand that selling these tickets to family and friends will allow me to recoup my \$100.
- I understand that should I sell my 2 books of tickets, I will keep that money since I already paid for the tickets in advance.
- I understand that any other Fundraisers held throughout the season will be optional for me to participate.
